

Dear Parents,

Happy New Year to you all!! I hope you all had a wonderful Christmas. I am excited about starting a new year with lots of great things to look forward too! Firstly, can I extend a warm welcome to our new children and their families this term, we are very pleased to have you with us!

There's quite a bit of information here, so thank you for taking the time to read it.

### Emergency Planning

As we continue to be alerted to high-risk illnesses it's very important that we remain vigilant in protecting spread of disease for the sake of each other. We understand that everyone is very busy, but if your child is not well enough to be in pre-school please keep them at home until they are well enough. A cold and runny nose is fine as long as the child is well in themselves and happy, but if they are not happy or have a temperature/sickness please don't give them medication and send them in. The children won't enjoy themselves and if they pass infections onto the adults there may come a time where we can't open to full capacity if everyone is ill. A reminder that children must remain absent for 48 hours following the last episode of sickness and diarrhoea.

Children over the age of 2 are eligible for their flu jabs this winter, if you've not yet had yours you can still book, please see the poster at the end of this newsletter or visit [Child flu vaccine - NHS \(www.nhs.uk\)](http://www.nhs.uk) for more information.

In any event that pre-school needs to make emergency arrangements, our emergency planning policy will be followed, below is a link to this and all our policies on our website. [Blank Page | Aston Clinton Pre-School \(astonclintonpreschool.co.uk\)](#)

### School Applications

If your child is due to start school in September 2023 the deadline for applying for your school place is 15<sup>th</sup> January 2023.

If you have not yet done so please visit [Apply for a primary school place | Buckinghamshire Council](#) as a priority. If you need assistance with applying for a school place in a different county or need some assistance with applying for the place online, please speak to me ASAP.

<p><b><u>Staff updates</u></b></p>	<p>We have recently recruited Jenny who is joining us 3 mornings a week. Jenny is currently unqualified but has a wealth of experience working as a nanny and in schools, she brings a high level of energy to pre-school and the children have all really taken to her!</p>
<p><b><u>Useful links for parents</u></b></p>	<p>In a world where technology is becoming so common place it's very important that we ensure children are taught how to use it safely and appropriately. Below are some useful resources for parents on how to keep your early years children safe online.</p> <p><a href="#">Keeping children safe online - CBeebies - BBC</a>  <a href="http://thinkuknow.co.uk">Keeping your under 5 safe online (thinkuknow.co.uk)</a></p> <p>The NHS remains under great strain meaning that it is challenging for some families to locate NHS dentists. This is causing a significant increase in oral health issues in young children. Below is some useful information to support families in promoting good oral hygiene practice.</p> <p><a href="#">a5 taking care dental leaflet.pdf (buckscc.gov.uk)</a>  <a href="#">EYs information guide for 3+ (buckscc.gov.uk)</a></p> <p>These links and others can be found on our website under parents information.</p>
<p><b><u>General Reminders</u></b></p>	<ul style="list-style-type: none"> <li>➤ Can I take this opportunity to remind you that we do go outside in all weather. Please ensure children come to pre-school with appropriate clothing that is clearly named. We have puddle suits for the children but due to being pack away we do not have storage for wellies. Please ensure children bring wellies with them every day, we always have water play available and it saves wet soggy shoes. Particularly at this time of year could you please ensure that children's hats and gloves are in there baskets in the morning so they can access them themselves.</li> <li>➤ Our family wall has been a massive success and it's so lovely to watch the children stopping and taking time to look at different family pictures and talking to each other about their lives away from pre-school. If you've not yet done so, please bring in a 4x6" LANDSCAPE photo of them with their family that we can add to the wall. We do have children asking where their photos are so we've told them to ask parents when they get home if they can have one.</li> <li>➤ All our policies are available on Tapestry and also in the waiting room at pre-school. They are also available on our website.</li> </ul>

# Please contribute to keep your pre-school going!

We continue to ask for a voluntary contribution to cover the costs of consumables such as craft materials and external activities, to prevent us from having to increase our fees and snack charges. We understand the cost of living crisis is having a big impact on everyone, we are working as hard as possible to ensure the future viability of pre-school. Please help us with this by continuing to contribute £10 per term or £30 per year directly to our bank account. Many thanks.

## Ad hoc session service

Generally, your child will attend our setting for fixed sessions, in the main utilising funded hours. As a working mum to two children, I am aware that sometimes the best laid plans don't always go the way we'd hoped. To that end I would like to offer an additional provision, whereby we can offer ad hoc sessions to cover any childcare issues you may stumble upon. I must stress that this will always be subject to existing ratios and staffing, but if we can help by having your child in session as a one off then we will. I must also make it clear that if you did want us to provide an additional ad hoc session that this would be chargeable and not covered by funding. Unfortunately, due to planning for staff ratios we are unable to swap sessions on a weekly basis, but you can add an extra session. If ever you're stuck either with advance notice or last minute, please always get in touch to ask as we will do our best to accommodate.

<p><b><u>Can you help?</u></b></p>	<p>As you are aware our pre-school is a charity which is run by a parent voluntary committee. We have rules that we have to abide by set by the charity commission that we are registered with. We are urgently seeking parents or grandparents to join our fundraising team. Fundraising is an important part of our income with the funding deficit and provides new opportunities and resources for the children. We meet roughly once a month and have a friendly team working together to support the pre-school and the children. If you can spare some time no matter how much, please do have a chat with me so I can tell you a little more about it!</p>
<p><b><u>New Parents Information Evening</u></b></p>	<p>On 21<sup>st</sup> September, I would like to invite all our new parents and anyone that hasn't made a meeting previously to attend an online information evening. It will be held over Microsoft Teams, and I will aim to begin around 7.30. It won't last more than an hour but is a chance for you to be introduced to the Early Years Statutory Framework and receive an explanation about what we do, what you can expect to see and how you can contribute to the successful learning and development of your child in preparation for school.</p> <p>Please follow the link below to access the meeting:</p> <p>Microsoft Teams meeting  <b>Join on your computer, mobile app or room device</b>  <a href="#">Click here to join the meeting</a>  <a href="#">Learn more</a>   <a href="#">Meeting options</a></p>
<p><b><u>Parents stay and play sessions</u></b></p>	<p>We would like to invite parents of children that are attending pre-school to stay and play from 9am until 9.30am on the following dates this term:</p> <p>Wednesday 1<sup>st</sup> February 2023  Friday 24<sup>th</sup> March 2023.</p> <p>These are a lovely opportunity to come in and let your child show you their world for little while. If your child does not attend either of these sessions, please don't worry we will make sure we include them in the next one.</p>
	<p>We have lots of different ways for you to get in touch with us.</p> <p>Our mobile number is: 07928309321</p> <p>My email address is <a href="mailto:acpsmanagement@gmail.com">acpsmanagement@gmail.com</a> I am contactable on this during pre-school hours.</p>

Pam's email address for placements is [acpreschoolplacements@gmail.com](mailto:acpreschoolplacements@gmail.com)

Our Chairperson Jo's email address is [acpscommittee@gmail.com](mailto:acpscommittee@gmail.com)

**Notifying absence** - The preferred method of absence notification is texting the pre-school number. Please let us know on the child's first day of absence and let us know the reason. We will not respond to absence notifications but will mark these in the register. Our sickness policy details exclusion periods for various illnesses, but a reminder that with common sickness and diarrhoea illnesses, children must remain absent for 48 hours following the last episode of illness.
